1. At their first meeting last year, the Deputies to the members of IAB decided that the National Intelligence Requirements for China should be prepared and published. Upon their publication, the Central Intelligence Group should undertake to coordinate and publish the NIR for USSR, Middle East and Korea.

3. It is requested that each agency prepare its overall intelligence requirements in order of priority for each of the following areas:

[illegible]

25X1

5. Upon their receipt, CIG will prepare the Current Essentials of National Intelligence and the National Intelligence Objectives, following the same procedure as employed in the development of NIR - China.
